

Dear Friend,

The issue of immigration is never far from the headlines, commentary is often misleading, dangerously simplistic and feeds into a worrying narrative of anti-immigration sentiment. Our Education Workers have noticed this trend in their workshops and are increasingly hearing racist ideas and attitudes expressed towards migrant communities.

Our response was to develop an educational film, elevating the voices of people who have moved from one country to another, to try and dispel some of the popular myths and provide an alternative view.

SRtRC & UNISON would like to invite you to a viewing of
'Immigration: what's the story?'
on
Tuesday 8th December 2015.

There will be an introduction to the issues, a showing of the film, followed by an hour of networking (canapés & drinks available).

- **Event:** 6:00pm – 7:00pm
- **Drinks & Networking:** 7:00pm – 8:00pm
- **Venue:** National Football Museum, Urbis Building, Cathedral Gardens, Todd St, Manchester, M4 3BG

Please RSVP to unison@manchester.gov.uk or contact the Branch on 0161 254 7500.

Your continued support is extremely valuable to our organisation, I do hope to see you on the evening.

Many thanks,
